LGBT History Month Extraordinary Bulletin 2011

New All-Year-Round Calendar

The new LGBT Calendar, produced in association with the LGBT Consortium, is now [live](#). This easy to use, monthly listing of events will be accessible by date or location and will tell users what is happening month-on-month in their area.

To All Events Organisers

For organisers of events, the calendar will be easy to upload and will give people plenty of opportunity to edit and revise events without having to start the whole process again. It will be accessible on the LGBT History Month website www.lgbthistorymonth.org.uk and also from future bulletins.

Alas, the old style calendar will not bulletins and events organisers will have to upload their events onto the calendar themselves rather than relying on us to do it for them.

But it's easy to do and it's free publicity, so watch this space.

The new calendar should be available by the end of the week (November 12th) and you will receive notification via and extraordinary bulletin.
